

# Satnam Global Infraprojects Ltd.

(Incorporated in 1987)

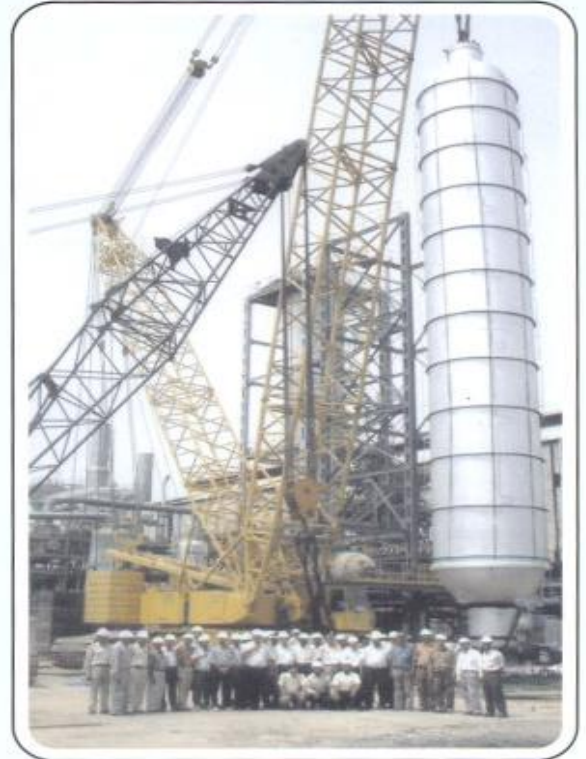

**A Total Project Engineering & Construction Company**

## SATNAM : THE TRUSTED PARTNER

**Satnam Global Infraprojects Ltd. (SGIL)** - Incorporated in the year 1987, is today one of the leading EPC project organizations with group turnover of Rs. 800 Millions, executing :-

- Industrial & Rural Electrification Projects.
- Site Fabrication & Erection of Piping, Tankages and Structures.
- Heating, Ventilation & Air Conditioning System.
- Fabrication and Erection of process plants & equipments.
- Renovation / Modification of power and process plants.
- Dismantling / Re-location / Re-Erection of old plants.

## INDUSTRIES SERVED

**SGIL** has the distinction of having worked in almost all types of Industries .

- Oil & Gas.
- Power.
- Synthetic Fiber Textiles and other Process Plants.
- Refineries & Petrochemicals.
- Steel
- Cement.
- Fertilizers & Chemicals.
- Engineering & Automobiles.
- Glass & Ceramics.
- Oil & Gas.
- Metal & Mining.
- Infrastructure.
- Paper, Sugar & Food.

## SGIL STRENGTHS

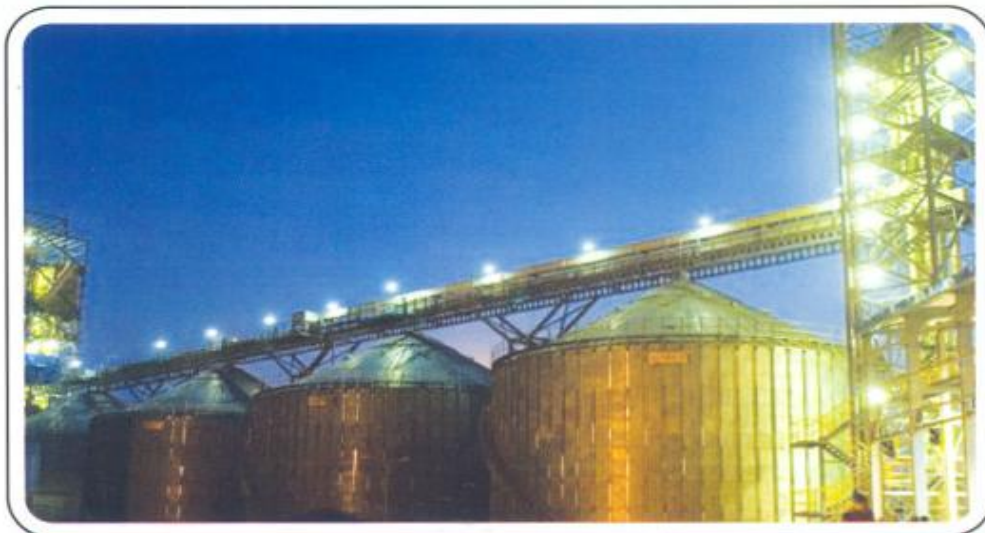

**SGIL**, a Engineering & Contracting company is capable of executing orders to customer's satisfaction within stipulated time & cost frame.

- AN ISO 9001: 2008 accredited company by SWISSO.
- Distinction of working with almost all big public undertakings & private industrial houses in India.
- Worked with International reputed Engineering Consultants under third party inspection agencies.
- Highly motivated and experienced team of technocrats overseeing committed workforce of nearly 3250 workmen deployed over 25/30 project sites in India and abroad.
- Equipped with all necessary resources in terms of plant, machinery, measuring and testing equipments/instruments including all required safety gadgets.
- Equipped with in house NDT Division.
- Consistently remained profitable in its operations adding to its financial strength.

## AREAS OF OPERATION

- Supply, Fabrication and Erection of all type of storage tanks including dome roof, cone roof and floating roof tanks.
- Supply, Fabrication and Erection of Silos, Bins Hoppers & Stacks.
- Supply, Fabrication and Erection of MS, CS, SS, Alloy, Inconel, Monel, Heavy Wall, High Pressure, PVC, HDPE Piping for Utility services, process, Boiler & Jacketed piping.
- Fire Fighting, Fire Protection, Smoke Detection and Addressable Analogue systems.
- Shop Fabrication of Pressure Vessels, Heat Exchangers, Columns, Reactors, Towers, LPG Bullets, Trolleys, Misc Shop Items, Critical Structural Platforms & Machine Base.
- Annual Maintenance Contracts and turn around jobs in Fertilizers, Refineries, Process Plants Infrastructure Projects like Delhi Metro etc.
- Heavy Lift Erection is a specialty of **SGIL** with own cranes, associates and a committed work force.
- Installation, Alignment & Commissioning of Plant, Machinery, Heavy Equipments, Rotary Equipments and Material Conveying System.
- **SGIL** is an 'A' Class Electrical Contractor specialised in Erection & Commissioning of High Capacity D.G. Sets including electrical work, civil work, Fuel Handling & Storage system and Power Distribution System etc. Supply, Installation, Testing & Commissioning of HT/LT, PCC/MCC Switch Gear Panel, PLC Control Panel, Transformer, HT Switch Gear, Substation, Cable Laying, Cable Termination, Earthing System and Lighting Work.
- Supply, Fabrication & Erection of all type of Structures, Cable Trays, Electric Towers & Poles, Transformer Gantries, Sub-Station etc.
- Provide Non Destructive Testing services.
- Supply, Installation and Commissioning of Instrumentation work.
- HVAC Packages.
- Re-vamping of Plants & Equipments.
- Construction of equipment foundations.

## KEY PROJECTS

- Erection of Ammonia Convertors and Associated Piping Work at IFFCO Phulpur, IFFCO Aonla and Indogulf, Jagdishpur.
- Equipment Erection & Piping work in Carbon di-oxide recovery plant under Technimont ICB for Phulpur & IFFCO, Aonla.

- Design, Supply, Fabrication & Erection of Fire Fighting System for Mather and Platt, Moser Baer and TAPP 3 & 4 Unit.
- Civil Construction of 132/33KV Sub-Station for BHEL, Bangalore.
- Annual Mechanical Maintenance Contracts of Chambal Fertilizers Ltd., Indorama Synthetics Ltd. & Central India Polyesters Ltd.
- Fabrication & Erection of SS / MS Tankage and complete process & utility piping for Hindustan Unilever Limited, Baddi (Himachal Pradesh).
- Complete Civil, Mechanical, Electrical Package for DG Base Power Projects under BHEL. Capacity 4 x 5.73 MW (Mizoram), 6 x 6.0 MW (Manipur), 1 x 4.0 MW (CCI, Assam) and 1 x 6.0 MW (Uttanchal).

## KEY PROJECTS

- Erection, testing and commissioning of plant and machines of fibre line and chlorine dioxide plant, equipment for D P project at Rajahmundry for Andhra Pradesh Paper Mills Ltd.
- Fabrication & Erection of CS, SS, IBR & jacketed Piping, spinning Plant, Poly Equipments, Process & Utility Equipments of SRF Ltd., Chennai.
- Supply, Fabrication & Erection of PTA Silos, SEG Storage Tank of Indorama Synthetics Ltd., Nagpur.

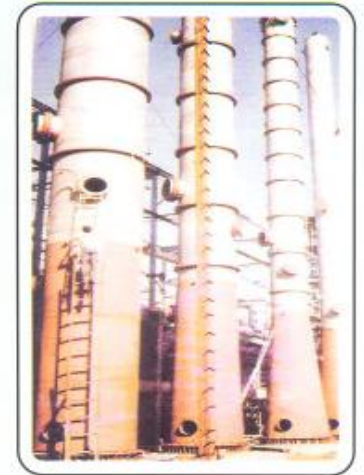

- Calendria and Shield Welding & Steam Generator Erection Work of Nuclear Power Corporation Limited.
- Erection & Commissioning of POY & FDY Machines at Reliance, Hazira
- Repair of Primary Reformer Catalyst Tube Joints at IFFCO, Phulpur.
- Design, Supply, Fabrication & Erection of SS Silos, IBR Piping and Fire Hydrant System of Rajashree Polyfils, Bharuch.

## KEY PROJECTS

- Fabrication & Erection of SS Silos of 1500 MT capacity & Supporting Structure at Bombay Dyeing, Patalganga.
- Retrofitting of Fuel Oil, Cooling Water and Compressed Air System of 2 x 120 MW Ukai Thermal Power Plant for BHEL, Bhopal.
- Equipment Erection and Process & Utilities Piping of DVDR & Solar Photo Voltaic Plants of Moser Baer, Greater Noida.
- Electrical & Mechanical Work of Mawana Sugar Mill.
- Electrical & Mechanical Work at Century Castings, Ballabgarh.
- Fabrication, Erection & Commissioning of Grain Storage Silos, Processing, Loading & Unloading System at Kaithal & Moga for Adani Agri Logistics Ltd.
- Fabrication & Erection of 3200 mm dia Cooling Water System Piping at NTPC Talcher, Orissa.
- Fabrication & Erection of Various Equipments, ESP, Tanks for 5.8 MW CPP at SRF Limited, Bhiwadi.
- Complete Piping Package & Erection of polymer & spinning equipments of M/s. Garden Silk Mills Limited.
- Complete Mechanical Package of SRF Limited, Bhiwadi (HFC Projects).

## OVERSEAS VENTURE

**Satnam Electro-mechanical Co (LLC)**, was a sister company of **SGIL** located in Dubai and carried out construction activities for major cement plant expansion and other industries in the Gulf region. Key jobs are:-

- Installation & Commissioning of 2x 6 MW DG Sets (Caterpillar) along with Piping, Cooling Tower, Fuel Storage Tank, Fire Alarming & Fighting System & Complete Electrical system of Auxiliary including cabling, panels work and control room at Fujairah Cement Industries.
- Installation of Kiln outlet, Cement Cooler & Supply of Steel Structure including Installation of Electrical work at Fujairah Cement Industries, Fujairah.
- Installation of Coal Crushing, Grinding, Dosing Unit & Steel Structure work, Pre-Heater Duct (Including Insulation), Calciner Loop, Dedusting System at Fujairah Cement Industries.

- Installation & commissioning of Bucket Elevator at Fujairah Cement Industries
- Installation, testing & commissioning of HVAC Package including chilled water piping, equipment and docketing at Burjuman Centre Expansion, Dubai.
- Kiln Shell, Pre-heater works, Replacement of Apron Feeder, Re vamping of Raw Mill Shell, Reversal of Girth Gear Pinion of Raw Mill.
- Removal, Installation & Cabling Work of Power Transformer 10 & 20 MVA at different Sites of FEWA substation in Northern Emirates.
- Structure Steel work and fabrication & erection of Equipment along with Instrumentation & Electrical installation works for New Cement Mill, DIBZEM-II Project, Fujairah Cement Industries.
- Heating, Ventilation and Air Conditioning Project at Buruman Centre in DUBAI.
- Equipment Erection, Fabrication & Erection of Structure, Ducting at Dubai.

## OVERSEAS VENTURE

- Supply, Fabrication & Erection of Conveyors, Bucket Elevators, Screw Conveyors, Air Slides & ID Fan Casing for cement & heavy engineering plants.
- Structure Steel work (1,250 MT) and erection of New Cement Mill including packaging plant at Al Bana Cement Industries, Ras al Kheima.

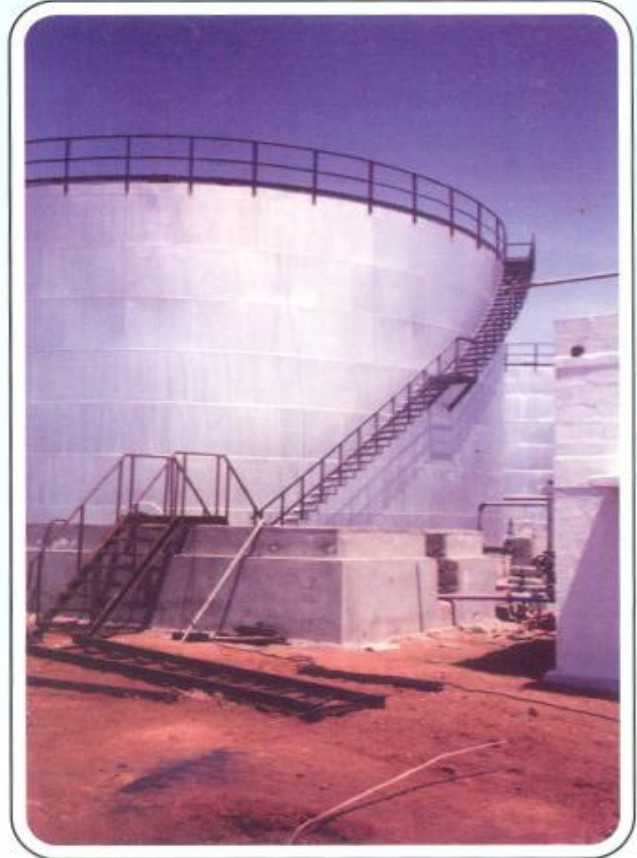

- Revamping, Maintenance and miscellaneous works at Fujairah Cement Industries on regular basis.
- Installation of Control Panels for grinding mill including Termination at Fujairah Cement Industries.
- Installation & commissioning of 2200 TPD dry process cement plant for Al bana cement factory (Dubai).

## APPROVALS -ENGINEERING CONSULTANTS

- BSES Ltd.
- Chemtex Consulting Of India Ltd.
- Consulting Engineering Services.
- Engineering Projects India Ltd.
- Engineers India Ltd.

## APPROVALS-INSPECTION AGENCIES

- Bax Counsel Inspection Bureau Ltd
- Bureau Veritas Industrial Services
- Chief Controller of Boilers
- Chief Controller of Explosives
- Chief Electrical Inspector
- Engineers India Ltd
- Lloyd's Register of Industrial Shipping
- SECON Engineering & Quality Services

## ASSOCIATION FOR HEAVY DUTY CRANES

**SGIL** is equipped with its own cranes upto 300 MT capacity. For requirement of Heavy Duty Cranes, we have tie-ups with leading crane fleet owners in the country and Public sector undertakings for special Heavy Duty Cranes.

## ORGANISATION & FACILITIES

### HUMAN RESOURCE DEVELOPMENT

- Human resource is the key to the success of SEFPL and employees are the real assets.
- **SGIL** encourages the entrepreneurship in its workforce which has shown great commitment to the Quality and Safety that has led to an excellent safety record during past two decades.
- **SGIL** ensures that knowledge is enhanced through seminars, training and targeted courses that develop and hone the skills of the workforce and executives.
- **SGIL** has an excellent record of retaining the employees and thereby the experience and skills.

### QUALITY & STANDARDS

- **SGIL** is an ISO 9001: 2008 company.
- Shop Floor & Project operations are carried out as per quality manual of the company.
- Workmanship & Services meet quality requirements as per codes and standards specified by customers.
- **SGIL** has experience of working to following codes and standards.

✍ ASME Section II, V, VIII and IX

✍ IS 2825

✍ IS 803

✍ TEMA

✍ BS 5500

✍ API 650

✍ DIN

✍ JIS

#### Quality policy

**It** is the policy of Satnam Global Infraprojects Ltd. to achieve excellence in quality of its products and meet customer delivery schedule at a competitive cost for total satisfaction of the customer.

**We** are also committed to provide necessary infrastructure and resource to become market leader of quality and reliability by adherence to quality system requirements. We strive continual improvement in our product quality and quality management system.

## SAFETY

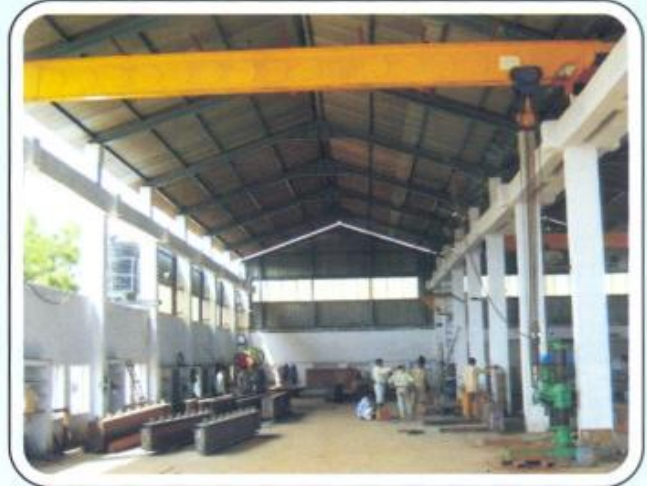

- **SGIL** is careful of Safety therefore a Senior Person is deployed and made responsible for the Safety function.
- Safety Officer periodically carries out a review of all safety procedures to ensure short cuts are not taken at the cost of safety.
- **SGIL** possesses all safety equipment, tools and tackles that are used on the projects.
- The workforce has shown a great commitment to the quality and safety that has led to an excellent safety record during past two decades.

## FABRICATION WORKSHOPS

**SGIL** have four Process Equipments & Heavy Structures fabrication facilities, having latest state of art machinery at :

- Mundka, Delhi.
- Kota, Rajasthan.
- Nagpur, Maharashtra.
- Noida, Uttar Pradesh.

## IT ENABLED

**SGIL** is extensively computerised and that enables them to closely track Costs, personnel, projects and deadlines. Following softwares are used in offices, factories & Sites of **SGIL** :-

- |                       |   |  |
|-----------------------|---|--|
| 1. Project Management | : | Primavera.<br>MS Project.                    |
| 2. Design             | : | AutoCad and other.<br>specialised softwares. |
| 3. Office Suite       | : | MS office.                                   |
| 4. Operating system   | : | MS Windows XP, VISTA<br>MS NT & Window 7.    |
| 5. Accounts & HRD     | : | Tally, Paymaker, Busy.                       |

## NON DESTRUCTIVE TESTING SERVICES

**SGIL** has distinction of having it's own Non Destructive Testing (NDT) services with required facilities and is offering third party testing services to various clients. Facilities available with SEFPL are :-

- Radiography Camera Tech – OPS 660.
- X-ray Machine with Control 300 KVA.
- Magnetic Particle Test Machine MT 200 XL.
- Film Reader with fluorescent lamp PLK-12 .
- Ultrasonic Flaw Detector Machine ED – I .
- Ultrasonic Thickness Gauge ETM – II (M/s. EEC make).
- Liquid Penetrant Testing Sets.
- Stress Relieving Services.

## OTHER TESTING SERVICES

- Universal Testing Machine.
- Hydro Test Pump with Motor.

## MACHINERY, EQUIPMENT, TOOLS & TACKLES

SGIL is equipped with plant, machinery and equipment in sufficient quantities to meet the concurrent requirements of various sites:-

- Crawler Crane 300 MT Capacity.
- Hydra Cranes 20 MT / 10 MT Capacity.
- Fork Lift Truck.
- Electrical Winches upto 50 MT Capacity.
- Lathes 6/10/16 feet Bed Lengths.
- Plate Bending Rolls upto 32 mm x 2500 mm Capacity.
- Shearing Machine 12 mm x 3000 mm Capacity.
- Radial Drilling Machine upto 40 mm dia Capacity.
- Magnetic Drill Machine upto 32 mm dia capacity.
- Pipe Bending Machine upto 150 mm NB Capacity.
- Air Compressor upto 620 CFM Capacity.
- Air Plasma Cutting Machine.
- Automatic Pug Cutter.
- Gas Cutting Sets with Trolleys and Gauges.
- Automatic SAW Machine.
- Portable Generator upto 250 KVA.
- Power Hecksaw.
- Welding Rectifiers upto 600 Amps Capacity.
- Welding Transformers upto 450 Amps Capacity.
- Welding Generators upto 600 Amps capacity.
- Portable Grinding Machines.
- Heat Treatment Furnace.
- MIG Welding Machine.
- Argon Welding Set with High Frequency Unit.
- Sand / Shot Blasting Equipment.
- Chain Pulley Blocks upto 10 MT capacity.
- Welding Rotators.
- Electric Heating Oven.
- Radiography Equipments.

## MACHINERY, EQUIPMENT, TOOLS & TACKLES

- Digital Temperature Recorder cum Indicator.
- Hydraulic Test Pump.
- Transformer Oil Filtering and Testing Machine.
- Elcometer.
- Mechanical Measuring Instruments.
- Mechanical Erection Tools & Tackles.
- Laser Dial Gauge.
- HV Test Kits.
- Wiremen Kits.
- Cable Drum Jacks.
- Cable Fault Locator.
- Electrical Measuring Instruments.
- Electrical Testing Instruments.
- Electrical Tools & Tackles.
- Theodolite.
- Dumpy Level.

## THE ORGANISATION

**Satnam Global Infraprojects Ltd.** was promoted by construction genius Mr. Satnam Singh Sandhu and Engineering Professional Mr. B.K. Jain around 23 years ago. The Company saw all round growth over the years, the company has emerged a winner on all counts, be it customer's satisfaction, meeting challenging schedules, attaining highest standards of quality of contractual obligations.

The organisation stands on a solid financial footing and is widely known in industrial scenario of the country as one of the most reliable project engineering, construction and services organisation.
